

# Selecting Style Items for Initial Set-up Drupal 8 Federation

## Homepage Header & Menu Options

- Select Dark Option (blue background/white logo) or Light Option (white background/blue logo)
- Select utility bar or not (top right above the logo area)
- Select traditional menu or mega menu

## Web site colors

- Select secondary color for buttons, and accents on pull quotes, side bars, blogs, text + image. One color for the entire site.
- The utility navigation button is always yellow

The refreshed School of Medicine color palette derives from Duke Health and University style guides.

**Primary Colors**

**Secondary Accent Colors**  
Site administrators have the ability to choose their site's accent color from the secondary accent color list.

**Neutral Accent Colors**  
Dark Gray is used for body text throughout websites. Light Gray, Gray, and Tint of Health Blue are used for background colors in certain content areas.

## Accent Colors in Use

**Primary button color options**

### Spotlight: Division of Geriatrics

The Duke Division of Geriatrics is internationally recognized for its research and education programs and has a long history of successful development and implementation of novel approaches to the care of geriatric patients. Division faculty lead the Duke Center for the Study of Aging and Human Development, and the Duke Perioperative Optimization of Senior Health (POSH), a program that improves the surgical outcomes for older adults by intervening with assessments and risk-reduction strategies before, during and after procedures.

### November 2-3

XXI Great Lakes Transplant Immunology Forum

📍 Searle Conference Center  
10 Bryan Searle Dr.  
Durham, NC 27710

🕒 8:00am to 5:00pm

**Blockquote**

“Once again, we are proud to announce that Duke is one of the top five surgical departments in NIH funding, ranking #3 for 2019 with \$43,528,737 awarded to Duke Surgery researchers, as well as \$11,780,967 in industry, foundation, and other federal awards. Congratulations to our surgeon-scientists!”

— DR. SHELLEY HWANG, VICE CHAIR OF RESEARCH, DEPARTMENT OF SURGERY

## Footer

The footer consists of 4 content columns plus a patterned brand bar. Column 1: Logo and contact information; column 2 & 3: links; column 4: RSS, social media, and an optional newsletter signup
