Personal Finance @Duke

Feeling the pain at the gas pump? You are not alone! With the increase in gas prices and driving to clinics, students are asking for help. Our office is here to assist. Currently, the cost of transportation listed in the cost of attendance budget, is \$187/month – if you are exceeding this amount – let's talk! Contact our office either email: finaid@dm.duke.edu or contact our office: 919-684-6649

Unfortunately, our office does not have grants and/or scholarships to assist with this cost. It would be the federal loan programs to assist with any approved cost.
