Rauch Foundation Historic Gift

The gift by the Rauch Family Foundation is the single largest commitment for financial aid ever made to the School of Medicine – in which we are extremely grateful!

The funds will be deposited into a long-term investment pool. Financial aid will receive a percentage of the annual interest to award students. Funds will be used to support the reduction of federal loans for student receiving need based awards. Our office will begin awarding the Rauch funds to students that meet the scholarship criteria in late August to early September. A revised award notice will be sent to students that qualify for the funding.
