PTCAS Application Fees and Fee Waivers

Fees

PTCAS charges $165 for the first program you apply to and $65 for each additional program.

Some programs may have an additional supplemental fee; contact your programs to learn if they require this and how to pay it.

Fee Assistance Program

Beginning at the start of the cycle, a limited number of fee waivers are provided to qualified applicants on a first-come, first-served basis. Each fee waiver covers only the initial application fee, so if you wish to apply to additional programs, you are responsible for the remaining balance. If you received a fee waiver during a previous cycle, you may still apply for another in the next cycle.

You may request a fee waiver as soon as you create an application, but keep in mind that fee waiver funds can be quickly depleted. Contact customer service at 617-612-2040 before you submit a fee waiver request to determine if waivers are still available.

Qualification Requirements

To qualify for a fee waiver, you must have either:

• Filed a 2022 Federal Income Tax Return Form 1040 with an adjusted gross income that falls below the Low Income Level listed below, or
• Been listed as a dependent on a filed 2022 Federal Income Tax Return Form 1040 with an adjusted gross income that falls below the Low Income Level listed below. If you were claimed as a dependent by a parent or guardian on their 2022 Federal Income Tax Return, PTCAS requires you to use that individual's Federal Income Tax Return instead of your own.

Additionally, you must request a fee waiver before you submit your application. Requests received after an application has been submitted will not be honored.

If you are approved for a fee waiver, you are required to submit your application within 14 days (including holidays and weekends). Extensions will not be granted; failure to submit your application on time will void your fee waiver and you will not be allowed to reapply for a waiver.

The low income level is based on 200 percent of the U.S. Department of Health and Human Services poverty guidelines. It is used to determine what constitutes a low-income family for the purposes of the SDS and LDS programs.

* Size of family means the number of exemptions listed on the qualified income tax return forms. For example, a family size of 4 may include two parents and two dependents.

** Income Level refers to the adjusted gross income stated on the federal income tax return 1040.

Coupon Codes

Some programs provide coupons that offset application fees. If you received a coupon code from your program, use the information below to apply it to your payment.

Note that you cannot redeem a program’s coupon code after you submit your application to them. Additionally, if you miss a program deadline due to waiting for a coupon code, you must request a deadline extension from your program, not PTCAS.

Using a Coupon Code

You can apply your coupon code(s) when you are ready to submit your application.

1. Click the Submit Application tab at the top of the application.
2. Click Submit, or to submit to more than one program, click Submit All.
3. On the payment page, enter the coupon code(s) you received from the program(s) under Apply Coupon.
4. Click the Apply Coupon button.
5. Complete the rest of the payment details pages.

Note the following:

• When a coupon code equals the total transaction amount, you don’t need to enter additional payment information.
• When a coupon code is less than the total transaction amount, you’ll need to enter payment information for the additional balance.
• When a coupon code is more than the total transaction amount, you don’t need to enter additional payment information. However, you’ll forfeit the remaining balance offered by the coupon code, as PTCAS will not issue credits or carry remaining balances forward.
• Coupon codes cannot be applied to chargeback fees.

If you used a coupon code when submitting to a program, the code will be listed under Payment History.
