

Tabular Summary Of Teaching, Mentoring and Educational Activities. **(C.V. may be referenced as appropriate)**

Activity in a fiscal year

Clinical Teaching

- Include ward rounds, routine supervision of learners in clinical settings, preceptor activities. Estimate number and type of learners as well as hours working with learners.

Lectures

- Number and audience (course names if applicable)

Seminars/Case Conferences

- Formal Seminars / Case Conferences that you present or direct. Note the audience and number of seminars.

Laboratories

- Document supervision in laboratories, such as the surgery practical labs, pathology labs and physiology labs.

Mentoring Activities

- Names of those mentored; indicate formal vs. informal mentoring

Research Preceptorship

- Include preceptorships of medical students, residents/fellows, graduate students, postdoctoral fellows, and junior faculty

CME (within Duke)

- Include Grand Rounds, journal clubs, and all other formal CME activities at Duke in which you have participated as instructional faculty. Indicate audience and sponsor, and program name/dates.

Course/Curriculum Development

- Note any major role in designing or revising an educational activity, such as medical school courses, resident seminars or CME programs

Materials Development

- Note any educational materials you developed, such as video or audio teaching tapes, or CD-ROM modules.

Educational Committees

- Include standing medical school, departmental and institutional committees which are primarily focused upon education, such as the Medical Center Continuing Medical Education Committee and the Medical School Curriculum Committee.

Tabular Summary Of Teaching, Mentoring and Educational Activities.
