G. Brant Walton Scholars Program

The G. Brant Walton Scholarship is awarded annually to one first-year Duke University Medical Student. The scholarship provides funds of \$1,000 per year of medical education, up to a total of four years. We may select more than one scholar per year or provide additional funds to the scholars in the future. Walton Scholars can use these funds for a wide variety of purposes - supporting their education, research interests, and professional career development. We will request an indication of what the use of the funds will be at the time of disbursement every year. There will be additional programming to give the scholars a chance to interact with each other as well as individuals involved with the scholarship. Interested individuals should complete an online application available [here](#). Finalists will then be selected for interview. Please direct all questions to info@dreamhopebelieve.org.
