The following are recently released NIH and other FOAs. FOAs for junior or new investigators are shown in red. Duke opportunities are shown in blue. The list of all active NIH RFAs and PAs, respectively, sorted by institute, can be found at: http://tinyurl.com/757gkez and http://tinyurl.com/c562oks. Note: NIH FOAs now include information as to whether the FOA supports clinical trials. Here, this is designated by the following abbreviations: CTNO - Clinical Trial Not Allowed; CTR - Clinical Trial Required; CTO - Clinical Trial Optional
