Icons and Capacity Indicators

Additional Information

- **Advanced Class Search, Simple Class Search, and the Shopping Cart** display available seats and class capacity.
- The class status (open, closed or waitlisted) and available seats display on the top level of the search result as well as the expanded class view.
- Expand the class details to view more information about availability and crosslisted sections.

Reviewing Class Status Icons- Advanced Class Search and Simple Class Search View

- **Class status= Open-** Indicated by a green square with the letter O.
- **Class status= Closed-** Indicated by a red square with the letter C.
- **Class status= Waitlist-** Indicated by an orange square with the letter W.
  - Top row will display open seats on the waitlist and the bottom row will display open seats in the class.
  - Example below indicates 18 seats are available on the waitlist and the class has no open seats.

- **Reserve Capacity-** Indicated by a grey triangle with an exclamation point.
  - Hover over the Reserve icon to view additional information.
