Guidelines for Working On-site

**Self-screening**: take temperature and assess symptoms before reporting to work

Do you have **ANY** cold or flu-like symptoms, including runny nose (e.g., fever, cough, runny nose/sinus congestion, sore throat, muscle aches, headaches, shortness of breath)?

If yes, contact the **COVID-19 triage hotline at 919-385-0429, option 1**

**Wear a mask** (coordinate with department head)

**Stay at least 6 feet away** from other people

**Wash hands often**

**Avoid touching your face**
